

University of Pittsburgh

Quick Reference

ADDITIONAL INFORMATION2

Additional Information

Where to start?

1. Provide additional information regarding the funding proposal.

How do I complete the Additional Information SmartForm?

2. Answer Yes/No as to whether or not the funding proposal requires a Data Sharing Plan, involves a patentable discovery, requires an Authentication Plan, has a related non-financial agreement, or involves the transfer of materials.
3. If there is an active non-financial agreement related to the project provide the Institution/MyRA number.
